

NeutralPoint

Clear Healthcare Architecture

NeutralPoint was founded to provide Healthcare facilities the commitment and the detail-oriented approach that patient-family-and-staff focused design demands. Our services include healthcare code Consulting, planning, architecture, engineering, and structure among many others.

MEET OUR TEAM

Libardo Hernandez *R.A., AIA, LEED GA, NCARB.*
Principal / Architect of Record

Li, NeutralPoint Architects founder, has more than 20 years of healthcare experience. This Architectural maturity has brought to our company, the necessary skills, and mentorship to lead our projects to successful completion. Since 2015, Li as NeutralPoint President has been exclusively working on Healthcare projects to better the function, flow, and performance of all departments within Hospitals and Medical Office Buildings. Prior to Founding NeutralPoint LLC, Li participated as Healthcare Lead Project Architect and Project Manager in the design and construction of hundreds of successfully completed projects.

HEALTHCARE PROJECT EXPERIENCE:

Hospitals • Surgery Centers • Outpatient Facilities • Central Energy Plants • Helipads • Medical Office Buildings • Clinics • Freestanding Facilities

Thomas S. DiBerardinis (TOM D) *R.A., NCARB.*
